

Half Moon  
Dental Centre

## Welcome to the Half Moon Dental Centre

At our colourful and friendly dental practice we aim to provide you and your family with the highest possible standard of dental treatment. We are recognised as a British Dental Association Good Practice.

Since our inception in 1999 over 26000 patients have joined our practice.

We offer a wide range of preventative and cosmetic treatment. We aim to be transparent in both treatment and quotations. You will receive a detailed treatment plan outlining all costs.

We have our own in-house hygienist team as well as our specialist oral surgeon and periodontist. We also offer *Invisalign* and implant treatment. We encourage our patients to have regular appointments with the practice hygienists in line with our preventative programmes.

### Contractor:

Daniel Hopkins BDS Manc 2002

## Hygienists

Danielle Bowman CEB Dip Dent Hygiene 1995  
Sharon Donnegan CEB Cert in Dent Hygiene 1991  
Karen Jones CEB Dip Dent Hygiene 2001

All of our staff and dental laboratories are registered with the General Dental Council.

Our premises and surgeries are accessible to wheelchairs and there is a disabled toilet.

Patient confidentiality at our practice is taken seriously and all information about our patients is treated with the strictest of confidence in accordance with our practice policy. We are registered with Data Protection.

It is your responsibility to keep your appointments and to arrive on time for them. If you fail to do so, we may cease to treat you.

Payment is expected on the day of completion of treatment. We require upfront payment for hygienist appointments. Since this system has been implemented we have noticed a huge reduction in wasted appointments. There is a £20 fee for a missed 30 minute session and £40 for a missed hour. If you arrive more than 15 minutes late for your appointment you will be asked to rebook as there will be insufficient time for any treatment.

The cost of retrieving any debt will be passed on to the consumer.

Dental advice and further information about your treatment and the practice is available on our website.

We hope that you are entirely satisfied with your dental care and treatment and would be happy to recommend our services to others. If not, please let us know about it so that we can rectify the cause for dissatisfaction and improve our service. You may request a copy of our practice complaints policy.
